SCHOOL EXHIBITS

OPEN TO SASKATCHEWAN EXHIBITORS ONLY

IT WILL BE APPRECIATED IF TEACHERS WHEN
MAKING ENTRIES WILL PLEASE STRICTLY AD-
HERE TO THE FOLLOWING RULES

1. All the entries from each school should be made by the teacher. Every exhibit must be the work of the pupil as a part of his or her school work. There is nothing to prevent a pupil making individual entries, should the school not wish to compete, but the entries must be accompanied by the teacher's or parent's certificate that the work shown is that of the pupil.
2. No exhibit can be entered in more than one section.
3. Any exhibits shown in this Department at a previous Regina Exhibition is not eligible for entry or competition.
4. Pupils in Grades IX, X and XI of Rural, Village and Continuation (town) schools, compete under sections at the end of their Prize Lists. Those students taking Grade XII work in any of the above schools compete in the division for Collegiates and High Schools. Write for Prize List.
5. All entries must be made on the regulation entry forms which will be supplied by the Manager on application.
6. Please do not send Entry Form in parcel with exhibits. Send completed entry form by separate mail in time for our office to send you tags before closing date of entries, June 20, 1940, so that you may attach tags to exhibits before sending them to the exhibition. Exhibits are to be shipped, charges prepaid, to Manager, Regina Exhibition Association, Regina, and to arrive not later than Saturday, July 21st. If exhibits are shipped by the teacher before school closes they will be taken care of by the Exhibition Association till Exhibition time.
7. Each exhibit must bear the Exhibition entry tag clearly displayed. No assurance can be given that the exhibits which do not bear tags will be allowed to compete for prizes, owing to the large number of entries received, so that care should be exercised in seeing that tags are attached to each exhibit before they are forwarded to the Exhibition.
8. A special Superintendent will be in charge of the School Exhibit and after the Exhibition is over will carefully look after reshipment of all exhibits to the sender.
9. There are no entry fees in the School Exhibits classes.
10. In the absence of competition in any section, or, if the article exhibited be of inferior quality the judges shall award only such premiums as they think the article merits.
11. All entries except those under "Nature Study" must be mailed so they will reach the offices of The Regina Exhibition Association, Limited, not later than June 20th. Entries for exhibits of "Nature Study" must be received not later than July 14th.
12. A pupil may only make one entry in a section.
13. All exhibits to be the work of individual pupils, unless the section contains the words "Class Project" or "School Exhibit."
14. No Regina school exhibits will be returned to pupils from the School Exhibits Department at the time of the Exhibition. A notice will appear in the press advising where exhibits may be obtained after the exhibition is over. Teachers are asked to bring this to the attention of pupils whose work will be on exhibits.
